**Age-Friendly Housing: Make it Your Business**

2014 marks the year when the last of the 79 million Baby Boomers – the generation born between 1946 to 1964 – turn 50 years of age. The aging of this cohort, one of the largest in history, poses both a challenge and an opportunity for the housing industry.

Join us on Tuesday, October 28<sup>th</sup> for a breakfast forum to explore what the changing demographics mean for you. Learn about our region’s changing households, hear about the Lifelong Housing Certification Project, and come share your ideas and network with peers over breakfast.
